The Virus Jo Strømgren Kompani

Final light plot

This is our final drawing of The Virus. It might change during our final day in Prague, but this is where we start out.

All fixtures on single channels, 33 in the ceiling/8 on the floor. 2 hot power in the ceiling for strobe, projector and laser.

All fixtures need colour frames
All fresnels with barndoors
All profiles with working shutters

Looking forward to work with you!
All the best,
Eirik

| Symbol | Name | Count | Wattage | Notes |
|--------|---|-------|---------|---|
| | Wysiwyg Generic Laser - Multi-Purpose | 1 | 0 | Travels with company |
| | Large Video Projector | 1 | 3000 | Travels with company, not 3kW. Just a random cad projector. We will bring signal cables for this as well. |
