

Light Plot

THE BASEMENT

JO STRØMGREN KOMPANI

Designer:
Jo Strømgren

GENERAL NOTES

All lights must have color frames, barn doors and working shutters.

There are 8 x dimmer channels on floor.

We need 4 x sidelight towers .

Audience lights are needed but not drawn on the LX plot.

We use 32 x dimmer channels without audience lights.

■ Full range speaker x 6 (4 ON STANDS, 2 hung.)

■ PA system hung at approximately 6m height.
